Article I – Purpose

This Act is established to ensure the safety and protection of all students, teachers, and staff within all educational institutions of the Mabruenian nation. It recognizes that schools must remain places of learning, free from harm, fear, or threat.

Article II – School Protection Service

1. A **School Protection Service (SPS)** shall be established under the joint supervision of the **Ministry of Justice** and the **Ministry of Homeland Security**.
 2. The SPS shall assign trained officers to guard all public and private educational institutions across the nation.
 3. These officers shall undergo specialized training in **youth safety, conflict de-escalation, and emergency response**.
-

Article III – Security Procedures

1. All individuals entering a school facility shall be subject to **weapons screening and identification checks**.
 2. Each institution shall maintain an **entry registration** to record visitors, contractors, and non-staff members.
 3. The Ministry of Education shall coordinate with school administrations to ensure safety procedures are conducted with minimal disruption to learning.
-

Article IV – Implementation and Oversight

1. The act shall take effect on **November 4th, 2025** and remain under review by the **Royal Assembly Committee on Public Safety**.
 2. Annual reports shall be submitted to Parliament detailing the effectiveness, training standards, and incidents reports by the SPS.
 3. Any violations of this act or negligence in enforcement may result in disciplinary action or dismissal of responsible officers.
-

Article V – Funding

Funding for this act shall be allocated from the **National Security Budget** and managed by the **Ministry of the Treasury**, with oversight from the **Chancellery Office**.
